

Introduction

Since the incorporation of Local Government Information Technology in South Australia (LGITSA) in June 2015, the LGITSA has become an established leader and advocate on behalf of information technology and information management professionals working within the local government sector in South Australia.

LGITSA has established a strong membership base and business relations with organisations that can help deliver better outcomes for members and their councils.

In its sponsors LGITSA values:

- Professionalism
- A commitment to pursuing a mutually beneficial relationship, based on shared success
- Dedication to customer service and quality
- Timeliness and accountability

2017/2018 Sponsorship

The LGITSA board has determined that the sponsorship pricing for 2017/2018 will be increased by the Consumer Price Index (1.5% at Dec Qtr) and the inclusion of events catering and dinners. Platinum sponsorship is now \$10,500 ex GST and Gold sponsorship is \$5,250 ex GST per annum.

The Sponsorship Value Proposition is relatively unchanged and remains based on two (2) events per annum, plus an end of year networking event.

A maximum of three (3) Platinum sponsors will be appointed. Only one Platinum sponsor will be selected from each service/product area based on the primary product/service offered by the sponsor. A maximum of fifteen (15) Gold sponsors will be appointed.

Sponsors are selected based on their financial contribution, provision of other support items to increase the value of the LGIT SA to members and relevance of the sponsor to Local Government IT in SA and, for Platinum sponsors, the uniqueness of their product/service offering relative to other sponsors.

Terms and Conditions

- The LGITSA board's decision is final, and the board reserves the right to accept or reject any application.
- The sponsor agreement will be terminated if payment is not made prior to 10 July of the sponsorship year, in a lump sum in Australian Dollars.
- Sponsorship is valid for the financial year, and withdrawals are not eligible for refund.
- Sponsors must maintain their own insurance for events and indemnify LGITSA Incorporated from any cost, claim, liability and expense associated with sponsorship and associated events.

How to apply:

Incumbent sponsors of LGITSA have the opportunity to commit to renewing their sponsorships by returning the completed 'LGITSA 2017/2018 Sponsorship Application Form' by 31 March 2017, after which time any unfilled sponsorship slots will be available to new sponsors.

LGITSA reserves the right to deny renewal, should the sponsor be considered to be acting outside the values of LGITSA.
